RESPONSE

Assistant Commissioner for Patents  
Washington, D.C. 20231  
Sir:

The Office Action on the above-identified application dated August 28, 1997 has been received and its contents noted. The following is in response thereto.

REMARKS

The present invention relates to a vapor phase process for the production of ether (poly)isocyanates, ether polyisocyanates selected from a specified group and to a process for the production of polyurethanes from these specific ether polyisocyanates.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to Assistant Commissioner for Patents, Washington, D.C. 20231, on 11/12/97
